## GET FAMILIAR

Formulated by the Professionals at Sunless, Inc. VersaSpa® **SUNLESSPRO** is the latest advancement in take-home Sunless skin care. Each product is infused with Vitamin D3, Caffeine and Avocado Oil, and contains specific ingredients to hydrate, nourish, protect, and soften your skin before, during, and after your Sunless Tan. VersaSpa® **SUNLESSPRO** ensures flawless results for both self-applied and Professional Sunless Tanning applications.

## { VITAMIN D3 }

- Nourishes skin by helping lock in moisture before it's lost
- Revitalizes the skin's immune system
- Essential element for skin's normal repair process
- Fights damaging free radicals

## { CAFFEINE }

- Contains antioxidant enriched, anti-inflammatory properties
- Prevents free radicals from damaging skin cells
- Acts as a skin tightener and cellulite reducer
- Helps to improve skin's texture and smoothness

## { AVOCADO OIL }

- Aids in increasing the amount of collagen in the skin
- Helps to soften skin with its moisturizing properties
- Helps reduce age spots
- High in sterolins, which helps to reduce blemishes

An Advanced Refining Cream infused with Vitamin D3, Caffeine, and Avocado Oil; SunlessPro Pre-Tan Exfoliant is the key element for advanced treatment of your skin prior to your Sunless Tanning application. Pre-Tan Exfoliant works by gently stripping away dead skin cells while alpha hydroxy acids improve skin's texture and tone. Used before each Sunless Tanning session, Pre-Tan Exfoliant will create a perfectly smooth canvas for even absorption of your Sunless Tanning application.

**PRE-TAN  
EXFOLIANT**

Advanced  
Refining Cream

## SPOTLIGHT INGREDIENTS

### Green Coffee Beans & Soft Wax Beads

Gently accentuates exfoliating alpha hydroxy acids improving skin's texture & tone.

### Antioxidants

Fights free radical damage and promotes younger, smoother looking skin you can see after just one use.

## KEY INGREDIENTS

### Vitamin D3

Helps with skin cell development and repair, and revitalizes the skin's immune system.

### Caffeine

An antioxidant that helps in lightening and tightening skin and aiding in overall smoothness.

### Avocado Oil

Contains skin softening properties and aids in increasing collagen in the skin. High in sterolins, avocado oil helps reduce age spots.

### Chamomile

One of the most widely used botanicals due to its healing tonic, antioxidants, and anti-inflammatory properties. Reduces puffiness and cleanses pores of impurities.

## INGREDIENTS LIST

WATER (AQUA), SODIUM COCOYL ISETHIONATE, STEARIC ACID, SODIUM METHYL COCOYL LAURATE, COCAMIDOPROPYL BETAINE, GLYCOL STEARATE, GLYCERIN, COFFEA ROBUSTA SEED, POLYETHYLENE, PEG-120 METHYL GLUCOSE DIOLATE, GLYCOLIC ACID, MALIC ACID, MAGNESIUM ALUMINUM SILICATE, SODIUM HYDROXIDE, PEG-7 GLYCERYL COCOATE, PERSEA GRATISSIMA (AVOCADO) OIL, CAFFEINE, CHOLECALCIFEROL, SODIUM HYALURONATE, FUCUS VESICULOSIS EXTRACT, CHAMOMILLA RECUTITA (MATICARIA) FLOWER EXTRACT, BUTYLENE GLYCOL, POLYSORBATE 20, POLYACRYLAMIDE, C13-14 ISOPARAFFIN, LAURETH-7, HYDROXYETHYLCELLULOSE, CARAMEL, TETRASODIUM EDTA, FRAGRANCE (PARFUM), SODIUM CHLORIDE, PHENOXYETHANOL, CAPRYLYL GLYCOL

## KEY BENEFITS

- > Gently removes dead skin cells
- > Improves skin texture and tone
- > Creates a smooth canvas for Sunless Tanning

## HOW TO USE

To create the perfect canvas for the Sunless Tanning application, apply a generous amount of Pre-Tan Exfoliant to a wash cloth or body sponge. Gently wash your entire body in a circular motion and rinse.

## EXPERT TIP

Allow Pre-Tan Exfoliant to diffuse into your skin for at least 2 minutes prior to rinsing, resulting in renewed and polished skin.

### GENERAL

Cleanses skin to create the perfect canvas for the Sunless application

FORMULATED BY THE PROFESSIONALS AT SUNLESS, INC. ALL SUNLESS<sup>PRO</sup> PRODUCTS CONTAIN THE MOST ADVANCED PROFESSIONAL-GRADE INGREDIENTS AVAILABLE, ENSURING FLAWLESS SUNLESS TANNING RESULTS BOTH AT-HOME AND WITH ALL OF OUR PROFESSIONALLY APPLIED SYSTEMS.

A Conditioning Color Developer infused with Vitamin D3, Caffeine, and Avocado Oil; SunlessPro Pre-Tan Intensifier is the key element for advanced development of your professional or self-applied Sunless Tan. Pre-Tan Intensifier works by hydrating and balancing your skin's pH levels while providing a perfectly conditioned canvas for the Sunless application. Used before each tan, Pre-Tan Intensifier will increase the depth and color of your Sunless Tan, as well as accelerate the tan's development time.

## PRE-TAN INTENSIFIER

Conditioning  
Color Developer

**SPOTLIGHT INGREDIENT****Amino Acid Complex**

Prepares the skin for fast, even absorption of the Sunless Tanning application resulting in more intense, longer-lasting color.

**KEY INGREDIENTS****Vitamin D3**

Helps with skin cell development and repair, and revitalizes the skin's immune system.

**Caffeine**

An antioxidant that helps in lightening and tightening skin and aiding in overall smoothness.

**Avocado Oil**

Contains skin softening properties and aids in increasing collagen in the skin. High in sterolins, avocado oil helps reduce age spots.

**Ginger Root**

One of the best known botanicals since ancient times. Contains excellent anti-aging properties due to its ability to almost totally inhibit collagen degradation. An antioxidant and anti-inflammatory.

**INGREDIENTS**

WATER (AQUA), PROPYLENE GLYCOL, DIPROPYLENE GLYCOL, GLYCERIN, CETEARYL ALCOHOL, DICETYL PHOSPHATE, CETETH-10 PHOSPHATE, CETEARETH-20, CETYL ALCOHOL, DIISOPROPYL SEBACATE, CETEARYL ETHYLHEXANOATE, DIMETHICONE, PERSEA GRATISSIMA (AVOCADO) OIL, CYCLOPENTASILOXANE, SODIUM PCA, BETAINE, SORBITOL, GLYCINE, ALANINE, PROLINE, SERINE, THREONINE, ARGININE, LYSINE, GLUTAMIC ACID, HISTIDINE, CAFFEINE, CHOLECALCIFEROL, FUCUS VESICULOSIS EXTRACT, HAMAMELIS VIRGINIANA (WITCH HAZEL) WATER, ALCOHOL, ZINGIBER OFFICINALE (GINGER) ROOT EXTRACT, PANAX GINSENG ROOT EXTRACT, CAMELLIA SINENSIS LEAF (GREEN TEA) EXTRACT, CYMBOPOGON SCHOENANTHUS (LEMONGRASS) EXTRACT, SALIX ALBA (WILLOW) BARK EXTRACT, ALOE BARBADENSIS LEAF JUICE (ALOE VERA GEL), TRIETHANOLAMINE, PARFUM (FRAGRANCE), POLYSORBATE 20, CARBOMER, PHENOXYETHANOL, CAPRYLYL GLYCOL

**KEY BENEFITS**

- > Balances the skin's pH levels
- > Increases the depth and color of your Sunless Tan
- > Accelerates tan's development time

**HOW TO USE**

For a deeper, darker, more intense Sunless Tan with accelerated development time, apply Pre-Tan Intensifier lightly and evenly over your entire body immediately before your Sunless Tanning session. Allow to dry completely before beginning your Sunless application.

**EXPERT TIP**

Avoid using other daily lotions in conjunction with Pre-Tan Intensifier.

2.0 FL. OZ (60ML)

.70 FL. OZ (20ML)

**GENERAL**

Increases color depth and accelerates tan development

FORMULATED BY THE PROFESSIONALS AT SUNLESS, INC. ALL SUNLESS<sup>PRO</sup> PRODUCTS CONTAIN THE MOST ADVANCED PROFESSIONAL-GRADE INGREDIENTS AVAILABLE, ENSURING FLAWLESS SUNLESS TANNING RESULTS BOTH AT-HOME AND WITH ALL OF OUR PROFESSIONALLY APPLIED SYSTEMS.

A 360° Spray infused with Vitamin D3, Caffeine, and Avocado Oil; SunlessPro Tanning Bronzer is the key element for an advanced, self-applied all over Sunless Tan or maintenance of your professional Sunless Tan. Tanning Bronzer can be used at any angle and goes on evenly for professional-looking, streak-free Sunless results. Used in-between professional Sunless Tanning sessions, Tanning Bronzer can enhance and extend the life of your professional Sunless Tan.

## TANNING BRONZER

360° Spray

**SPOTLIGHT INGREDIENT****Erythrulose**

Works in combination with DHA to produce a tan that lasts longer, fades more evenly, and provides a natural color for all skin types and tones.

**KEY INGREDIENTS****Vitamin D3**

Helps with skin cell development and repair, and revitalizes the skin's immune system.

**Caffeine**

An antioxidant that helps in lightening and tightening skin and aiding in overall smoothness.

**Avocado Oil**

Contains skin softening properties and aids in increasing collagen in the skin. High in sterolins, avocado oil helps reduce age spots.

**KEY BENEFITS**

- > 360° Spray goes on evenly at any angle
- > Extends the life of your Professional Sunless Tan
- > Achieve Professional Sunless results at-home

**INGREDIENTS**

WATER (AQUA), SD ALCOHOL 40-B, DIHYDROXYACETONE, ETHOXYDIGLYCOL, DIPROPYLENE GLYCOL, PROPYLENE GLYCOL, ERYTHRULOSE, DIMETHYL ISOSORBIDE, PERSEA GRATISSIMA (AVOCADO) OIL, CAFFEINE, CHOLECALCIFEROL, FUCUS VESICULOSIS EXTRACT, GLYCERIN, SORBITOL, POLYSORBATE 20, FRAGRANCE (PARFUM), CITRIC ACID, (FD&C) YELLOW 5 (CI 19140), (FD&C) RED 4 (CI 14700), (FD&C) BLUE 1 (CI 42090)

**HOW TO USE**

For an all over Sunless Tan, or to enhance and extend your current color, apply by holding 6-8 inches away from skin and spray with a quick, continuous, side-to-side motion until the area is just moist. Wash hands directly after use and avoid contact with clothes until dry.

**EXPERT TIP**

Use sparingly around knees, elbows, and ankles as these areas tend to darken more quickly.

**CATEGORY**

SUNLESS

**AVAILABLE SIZES**

7.8 FL. OZ (230ML)

**GENERAL**

For an all over tan or to extend your professional Sunless Tan

FORMULATED BY THE PROFESSIONALS AT SUNLESS, INC. ALL SUNLESS<sup>PRO</sup> PRODUCTS CONTAIN THE MOST ADVANCED PROFESSIONAL-GRADE INGREDIENTS AVAILABLE, ENSURING FLAWLESS SUNLESS TANNING RESULTS BOTH AT-HOME AND WITH ALL OF OUR PROFESSIONALLY APPLIED SYSTEMS.

## A Daily Color Guard

infused with Vitamin D3, Caffeine, and Avocado Oil; SunlessPro Body Cleanser is the key element for advanced daily maintenance of your professional or self-applied Sunless Tan. Body Cleanser works by nourishing and cleansing your skin while protecting it from free radicals. Used daily, Body Cleanser will protect your color, leaving your skin fresh and moisturized; extending the life of your Sunless Tan.

### BODY CLEANSER

Daily  
Color Guard

## KEY INGREDIENTS

### Vitamin D3

Helps with skin cell development and repair, and revitalizes the skin's immune system.

### Caffeine

An antioxidant that helps in lightening and tightening skin and aiding in overall smoothness.

### Avocado Oil

Contains skin softening properties and aids in increasing collagen in the skin. High in sterolins, avocado oil helps reduce age spots.

## KEY BENEFITS

- > Gently nourishes and cleanses skin
- > Protects from free radical damage
- > Hydrates skin while extending the life of your Sunless Tan

## INGREDIENTS LIST

WATER (AQUA), SODIUM LAURETH SULFATE, STEARIC ACID, COCAMIDOPROPYL BETAINE, SODIUM LAURETH SULFATE, GLYCERIN, GLYCOL STEARATE, SODIUM METHYL COCOYL TAURATE, CETYL ALCOHOL, TRIETHANOLAMINE, PERSEA GRATISSIMA (AVOCADO) OIL, LANOLIN, CAFFEINE, CHOLECALCIFEROL, FUCUS VESICULOSIS EXTRACT, PHENOXYETHANOL, CAPRYLYL GLYCOL, FRAGRANCE (PARFUM), (FD&C) YELLOW 5 (CI 19140)

## HOW TO USE

For daily maintenance of your Sunless Tan, apply a small amount of Body Cleanser to your hands and work into a lush lather. Gently wash entire body in a circular motion and rinse.

## EXPERT TIP

Gently use a wash cloth or body sponge in conjunction with Body Cleanser 3-5 days after your Sunless Tan. This will help color fade more evenly, and prepare your skin for your next Sunless application.

## A Daily Color Extender

infused with Vitamin D3, Caffeine,  
and Avocado Oil; SunlessPro

Post-Tan Moisturizer is the  
key element for advanced daily  
maintenance of your professional  
or self-applied Sunless Tan.

Post-Tan Moisturizer works  
by moisturizing, and  
revitalizing your skin,  
while enhancing the depth of your  
Sunless Tan. Used daily after your  
shower, Post-Tan Moisturizer will  
ensure even longer-lasting results.

### POST-TAN MOISTURIZER

Daily  
Color Extender

## SPOTLIGHT INGREDIENT

### Silk Amino Acids

Adds a soft, smooth, velvety texture, and contains antioxidants which help to prevent dehydration of the skin.

## KEY INGREDIENTS

### Vitamin D3

Helps with skin cell development and repair, and revitalizes the skin's immune system.

### Caffeine

An antioxidant that helps in lightening and tightening skin and aiding in overall smoothness.

### Avocado Oil

Contains skin softening properties and aids in increasing collagen in the skin. High in sterolins, avocado oil helps reduce age spots.

### Shea Butter

Contains a high concentration of Vitamin A, Vitamin E, and Vitamin F essential to healthy glowing skin, and is known for its natural healing and moisturizing properties.

## INGREDIENTS

WATER (AQUA), STEARIC ACID, CETEARYL ALCOHOL, BUTYLENE GLYCOL, C12-15 ALKYL BENZOATE, GLYCOL STEARATE, SODIUM LAURETH SULFATE, GLYCERIN, HYDROXYETHYL UREA, CAPRYLIC/CAPRIC TRIGLYCERIDE, DIMETHICONE, POLYGLYCERYL-3 LAURATE, DIISOPROPYL ADIPATE, POLYSORBATE 80, POLYSORBATE 20, DIHYDROXYACETONE, CAFFEINE, SODIUM PCA, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, BUTYROSPERMUM PARKII (SHEA BUTTER), THEOBROMA CACAO (COCOA) SEED BUTTER, TRIETHANOLAMINE, CYCLOPENTASILOXANE, FRAGRANCE, SQUALANE, PANTHENOL, MACROCISTIS PYRIFERA EXTRACT, HYDROLYZED WHEAT PROTEIN, PVP, PERSEA GRATISSIMA (AVOCADO) OIL, ERYTHRULOSE, SILK AMINO ACIDS, FUCUS VESICULOSIS EXTRACT, ASCORBYL PALMITATE (LIPOSOME ENCAPSULATED), RETINYL PALMITATE (LIPOSOME ENCAPSULATED), TOCOPHERYL ACETATE (LIPOSOME ENCAPSULATED), PHOSPHOLIPIDS, CHOLECALCIFEROL, SODIUM HYALURONATE, PHYLLANTHUS EMBLICA FRUIT EXTRACT, HAMAMELIS VIRGINIANA (WITCH HAZEL) WATER, ALCOHOL, TETRASODIUM EDTA, PHENOXYETHANOL, CAPRYLYL GLYCOL

## KEY BENEFITS

- > Moisturizes and revitalizes skin
- > Enhances the depth of your Sunless Tan
- > Ensures even, longer-lasting results

## HOW TO USE

For long-lasting color, and touchably soft moisturized skin, apply generous amounts of Post-Tan Moisturizer daily to your entire body following your shower or bath. Wash hands directly after use and avoid contact with clothes until dry.

## EXPERT TIP

On its own, Post-Tan Moisturizer will create an overall glow when used as part of your daily skin care regimen.
